

Autodesk Q3 Switch to Collections Promotion

Frequently Asked Questions (FAQ)

Customers who have made an investment in Autodesk solutions have an opportunity to take advantage of additional value and workflow benefits provided by collections.

GENERAL INFORMATION

1. What is the Q3 Switch to collections Promotion?

Customers with a current subscription to an individual product like AutoCAD, Revit or Inventor Pro can at any point in their subscription term move to a Collection and save 20% on the remaining months of their existing term.

Refer to the [Appendix](#) for a complete list of qualifying products.

2. What countries are eligible to participate?

The offer is available in the European Economic Area, Switzerland, Albania, Bosnia Herzegovina, Kosovo, Macedonia, Montenegro, Serbia and sales regions, Middle East and Africa (MEA), Mediterranean, Russia and the Commonwealth of Independent States (CIS). Note – The Crimean Peninsula is not eligible. Some products and conditions vary per region.

3. What are the dates of the Promotion?

The offer is valid August 7 through October 25th (dates inclusive).

4. Which individual products can be switched to a collection?

Refer to the [Appendix](#) for a complete list of qualifying products.

5. Does this apply to all term lengths and usage (single-user and multi-user)?

The offer is available for annual and multi-year terms as well as for both single-user and multi-user. The term length and usage type must remain consistent with existing subscription. For example: customer with 3-year, single user Civil 3D with 22 months remaining can move to a single-user AEC Collection and receive 20% off the remaining 22 months.

6. Can this offer be combined with any other offers?

No. The offer may not be combined with any other discounts, promotions, or other incentives offered by Autodesk unless specified.

7. Are Named Accounts with volume purchase programs eligible to participate offer be combined with any other offers?

Yes, but discounts offered by Autodesk under this offer cannot be combined with any discounts provided by Autodesk to contracted accounts according to any relevant agreements. Example: Customers with Volume Purchase Agreements (VPAs) cannot

combine volume discounts provided under their VPA contract. Named Accounts may choose to select either the contracted discount OR the promotional discount, but not both.

8. Is there a limit as to how many subscriptions may be switched and receive the discount?

Yes. Customers are eligible to submit a total of 25 seats under the terms and conditions of this offer.

Autodesk Partner-specific questions

1. Where can the promotional skus be found?

The promotional SKUs are available on the current price list. Government customers are eligible to participate by way of Government SKUs where applicable. If Government SKUs do not exist per specific product, the Government customer should purchase commercial promotional SKUs through an authorized reseller.

2. Where can additional sales and marketing information for this promotion be found?

More information on the promotion can be found [here](#).

3. Where can additional information be found on switching subscriptions?

More information on switching subscriptions can be found [here](#).

APPENDIX
